Fleur Bake Shop Terms and Conditions

We offer cakes for the most special occasions: elopements, birthdays, anniversaries, and other celebrations. Please allow at least one week (7 days) in advance for special order cakes and cupcakes. Please note that we require full payment to be made to secure all orders. While all effort will be made to fulfill every inquiry, orders are not confirmed until payment has been paid in full; this will then officially book you for our services.

Elopements:

Please inquire about our single-tier elopement cake availability and pricing by first filling out the elopement cake questionnaire on our website, www.fleurbakeshop.com, and sending it by email to hello@fleurbakeshop.com. We are no longer offering multi-tiered wedding cakes, however; single-tier elopement and one cake per order during our busy months (June - September) are available for special order.

Order Changes:

We require 7 days notice for any changes to orders.

Cancellations:

We reserve the right to withhold partial or full payments up until pick-up day.

Allergies or Ingredient Sensitivities:

Please note that all cake and cupcakes are made in a small kitchen where gluten, soy, milk, eggs and tree nuts are regularly used. As such, any item may contain traces of these ingredients. If you have any food allergens or intolerances, please speak with our team about our ingredients before placing your order. We are happy to accommodate wherever possible.

Delivery:

Cakes are available for pick-up from the bakery between 7:00am - 4:00pm. Delivery can be arranged with costs based on distance from our bakery, starting at \$20 for in-town and \$50 for Whitefish Mountain and Columbia Falls delivery.
